
27th Day John Mantley Fawcett Publications

political narratives of science fiction - the 27th day (1957) starring gene barry. it's not available yet on dvd, but watching it again after being enthralled as a young teen fifty years ago was a treat and even led me to reread the book, by john mantley (1920-2003). my paperback was long lost, but through amazon i paid a few cents for a used copy, which brought me a hardbound first edition, complete with cracking library ...
